## welcome to lululemon athletica

**lululemon athletica is a yoga inspired athletic apparel company.** We aim to create components for people to live longer, healthier, more fun lives. Founded in Kitsilano, Vancouver - one of the healthiest places in the world - the first lululemon store not only featured a design studio / retail store but also shared space with a then fledgling yoga studio.

Authentic to its West Coast roots, lululemon continues to focus on a healthy, balanced fun-filled way of life.

life is filled with runs at the beach, hiking, biking and a walk to work, a yoga class or a 15 - 30 minute coffee with your best mate.

Important Notices

Due to the constantly changing nature of the Internet, and the reasons detailed below, it is possible that the status of domain names may change between the time this report is generated and the time you receive this report. Therefore, we strongly recommend that you conduct additional domain name searching before attempting to register a domain name or forming a final opinion on the availability of a trademark or domain name.

- \* The dynamic nature of the Web allows for the registration of new domain names virtually continuously, 24 hours a day.
- \* All steps are taken to ensure the completeness and accuracy of our database. However, due to registrar/registry administrative procedures during domain name registration, some domain names may not be present in our database.
- \* Domain name registrars do not report domain names which are not currently registered, nor do they report domain names which may be "on hold" with the registrar.
- \* All domain names cited in this report should be considered to be REGISTERED as of the time this report was generated.
- \* For common names, retrieval may be limited to the identical spelling of the name as ordered.

Due to the nature of the Web, and because we do not filter Web content, it is possible that the Web Page Lookups included in this report may contain objectionable material. If you wish to avoid the possibility of receiving such material, please contact us to "opt out" of Web Page Lookups.

Data Information

This report is the result of a computerized search of our database of top-level domain names. Our database is regularly updated with domain name data from all ICANN-accredited registrars and covers the following suffixes:

**Poems by a young woman from London**

*Last Updated: 28th May 2007*

> [Introduction](#)  
As you may have guessed: I am a young poet from London. There are a lot of poems on this site; this poetry dates from 2002 onward. I still write poetry so expect updates through 2007 with new poems (the most recent poetry to be added is always at the top of the left hand menu).

> [More Information](#)  
I considered removing early poems (2002-04) but decided they shaped me as a maturing poet. I do therefor ask you read earlier poetry as somebocy hearing a young baby poet finding her pen. As a whole, this site gives you a very full view of my poetry style.

> [How To Use This Site](#)  
Refer to the left sidebar. This is the menu that contains my poems. For selective poetry reading, poems are in simple groups: happy poetry, sad poetry, angry poetry, confused poetry. There's also a top poetry group, separating the best of my poetry.
